FIELD TRIP FACILITATORS

If you're looking for an active, short-term volunteer opportunity, this is the one for you. You'll be outdoors enjoying the end of cabin fever season as you enhance students' experiences by providing a secure, welcoming environment and learning opportunities in a high-energy setting at Historic Fort Snelling.

Volunteers commit to a weekly shift on weekday mornings or afternoons from April 9 through June 8. Attendance is required at a two-part training session to prepare for the role. Part 1 will familiarize you with the fort and its history. Part 2 will cover working with Historic Fort Snelling's field trip groups and other information you'll need to know as a volunteer.

**Part 1: Tuesday, March 5, 9 am–Noon or
Wednesday, March 13, 9 am–Noon**

**Part 2: Tuesday, March 19, 9 am–Noon or
Wednesday, March 27, 9 am–Noon**
